About Solo Leveling Manhwa

It depends on a web novel of a similar name, an overview, as it was watched long ago, later the "entrance" that connected this current reality with the world of beasts opened, a part of ordinary, regular individuals was given the power to chase the monsters inside the entrance.

They are known as "Trackers". However, not all Trackers are powerful. I am Sung Jin-Charm, an E-rank follower.

I am someone who needs to put his life on the line in the lowest of dungeons, "the most vulnerable in the world".

Having no display skills at all, I barely got the money I needed by fighting in low-level dungeons... basically until I tracked down the hardest difficulty secret dungeon inside the D-rank dungeons!

In the end, as I tolerated death, I suddenly got a strange power, a trip record that no one but me could see, confidential to **Solo Leveling 156** that I know of!
